

LESSON 10 Homework sheet: Practicing Soul Winning

Who is your partner?

Where they difficult or did they take it easy on you?

How did you approach the issue of their eternity?

What was their response?

What difficulties did you encounter (i.e hard questions, uneasiness, etc.)?

Do you think this was similar to what you will experience outside of practice? Why or why not?

Use the space below to not any observations, areas of work, approaches, etc. that you came upon while “practicing” today.
